Una collana sottomessa a revisori e a un comitato scientifico dedicata all'Archeologia di Mozia e alla cultura fenicia e punica nel Mediterraneo.

A peer-review series dedicated to the Archaeology of Motya and the Phoenician and Punic culture in the Mediterranean.

QAFP/Colour Monograph è la collana di volumi a colori connessa alla serie "Quaderni di Archeologia fenicio-punica", dedicata alla pubblicazione dei risultati delle indagini archeologiche e degli studi condotti dalla Missione archeologica a Mozia, la città fenicia e punica della Sicilia Occidentale. Le ricerche a Mozia sono condotte in convenzione con l'Assessorato Regionale dei Beni e dell'Identità Siciliana, secondo la convenzione stipulata con la Soprintendenza di Trapani.

QAFP/Colour Monograph is the colour monograph series related with "Quaderni di Archeologia fenicio-punica", the series devoted to the publication of results of archaeological investigations and studies carried on by Rome "La Sapienza" Expedition to Motya, the Phoenician and Punic city in Western Sicily. Researches at Motya are carried out under the aegis of the Assessorato Regionale dei Beni e dell'Identità Siciliana according to the agreement established with the Superintendency of Trapani.

THE EXCAVATIONS OF THE KOTHON WERE SUPPORTED BY THE HONOR FROST FOUNDATION, LONDON

Special thanks are addressed to Dr. Claude Doumet-Serhal and Dr. Joan Porter McIver.

Technical support was also provided by the SIDRA (Società Italiana Dragaggi - a DEME Company), thanks to Dr. Carlo Alberto Marconi.

AKNWOLEDGEMENTS

A special thank is addressed to the Officials and Colleagues of the Assessorato Regionale dei Beni e dell'Identità Siciliana, to the Superintendent of Trapani, Arch. Paola Misuraca, and to her forerunners (Arch. Giuseppe Gini, Prof. Sebastiano Tusa), to the Responsible of the Service Beni Archeologici of the same Institution, Dr. Rossella Giglio, who followed and strongly supported the works in the Kothon area. The G. Whitaker Foundation, Palermo, offered its generous hospitality and help to the Expedition on the island: Dr. M. Pamela Toti, Filippo Sammartano, Giuseppe Piacentino, Salvatore Lombardo, and for the Kothon rehabilitation also Diego and Giuseppe Sammartano, Nino Monteleone e Mario Ottoveggio. Archaeological excavations in the Kothon were supervised by Dr. Pierfrancesco Vecchio with the cooperation of Pierfrancesco Izzo.

On the cover: digging up the eastern wall of the Kothon in September 2013; on the top right the Egyptian statue of a baboon (MC.12.20) retrieved nearby the NE corner of the Kothon.
